March Success Story

Family Satisfaction at the Castle Point VA

The Castle Point New York VAMC in VISN 3 has consistently scored well on the BFS PROVIDE item. To learn what they did click [here](#).

From the CELC Implementation Center

Congratulations to VISNs 15, 19, and 20 for completing their 18 month anniversary of VA-PCLC Mentoring.

Congratulations to Dallas, Brockton, and Boise VAMCs for completing their "Moving from Good to Great" PCLC Refresher Course Training.

For more news from the Implementation Center, click [here](#).

From the CELC PROMISE Center

Please post monthly deaths to the secured network share as close to the first of the month as possible.

The Q1FY11 PROMISE report is an Excel document and not a Word document as in previous versions.

For more news from the PROMISE Center, click [here](#).

From the CELC QuIRC

The Palliative Care National Clinical Template 1.0 (PC-NCT 1.0) is currently being tested at our demonstration sites. The tool is available upon request.

For more information from the QuIRC, click [here](#).
