June Success Story

Miami VA's Success in Providing Emotional & Bereavement Support

The Miami VA Healthcare System has striven to optimize the emotional and bereavement support provided to Veterans and their families. To learn about their approach, [click here](#).

From the CELC Implementation Center

Congratulations to VISN's 4, 8, 10 and 19 for completing their 18-month anniversary of VA-PCLC mentoring. [Click here](#) to learn about conference call times for the HPS Unit Special Interest Group and the Spiritual & Bereavement QI Pilots.

From the CELC PROMISE Center

Q2FY2011 reports will be released on July 1st. Based on VISN feedback, the reports have undergone slight modifications.

The PROMISE Center kindly asks that the monthly death data be posted to the secured shared drive by the 10th of each month, in order to help us collect data more efficiently and improve response rates.

From the CELC QuIRC

See the [lessons](#) that VISN's have learned in workload capture!
