From the CELC Implementation Center

Congratulations to VISNs 3, 11, 22, and 23 for their completions of VA-PCLC Trainings or the Mentoring Phase.

Congratulations to San Diego, Augusta, Albany, and Muskogee for completing their "Moving from Good to Great" PCLC Refresher Course Training.

From the CELC PROMISE Center

The PROMISE Center is currently completing our quarterly check-ins with VISN Program Managers to update the information we have on hospice units in each VISN. If your facility undergoes any changes in hospice unit, please contact us so that we can be sure to continue accurately coding hospice care for your facility.

From the CELC QuIRC

We are continuing to provide training to clinical teams in how to document workload effectively. The training session focuses on 4 critical elements of workload capture. We have also added an "Auditing Palliative Care Consult Workload" document to our Implementation Package.
